Rochester volunteers, numbering more than 20 men, are involved in a painting project on the First Congregational Church in Rochester Center. The men are aided in remarkable fashion by the use of cherry-picker cranes which enable them to roam instantly over the towering wall of the structure without the use of staging. This painting project will continue for a number of weekends and additional experienced painters are needed. It is estimated that this adventure in good fellowship will save the church \$2,000 to \$3,000. The Rev. Edward F. White, organizer and chairman of the project, has promised a victory banquet for all of the workers. This Sunday the pastor is dedicating his sermon to these

The causes come and go. Civil Rights, Peace, Ecology, Get Out of Viet Nam Now, Evacuate Cambodia - name your cause and you've got action. Each has sufficient merit to attract thousands of idealistic people. Each has nothing to do with the hidden purpose which is furnishing the leadership.

Television news programs continue to refer to the incident at Kent College in Ohio as murder of students engaged in an anti-war protest. This is a lie. The facts are shown in televised pictures. The mob was engaged in arson and assault with deadly weapons - rocks and spikes, when the tragedy occurred. Subsequent information that one of the bullets which was taken from the body of a slain student was not of military type has received no head-

line. In fact it has hardly received mention. The fact is that Kent students were inflamed by professional agitators into criminal acts of civil insurrection in order to achieve the exact results that were obtained. The pattern which caused the closing of 1/6 of the colleges in the United States is emerging for most of us. Young students are being used. They are being used not to obtain justice in causes that have merit. This is just the bait to galvanize support. The underlying and nationwide purpose is to provoke and maintain a state of civil disobedience and contempt for our entire system of government. One sixth of the college students in the United States don't hate their system of government. Probably the vast majority would rather be studying and graduating in a quiet and normal manner. But the leaders of the cause have use for them. Their purpose for maintaining a state of revolt is not PEACE IN VIET NAM - not PEACE anywhere. The purpose of these trained leaders is war on the United States system and all who defend its Constitution. The leaders of this revolution have no scruples in the promotion of their ideology. They use whatever innocent pawns are at hand, effectively and expensively.

Did you know that "in the Mattapoissett town meeting of April 1883, there was a discussion as to the advisability of a change of the name of Pearl Street to School Street, the argument being that 'here the ancient school house stands' and that no pearls ever had been found in that vicinity. Thomas Nelson then took the floor and said that if the change be made, to be consistent, the name of Baptist Street should be changed to Christian Street, for there are no real Baptists to be found in that locality." The names remain. From Mattapoissett and Old Rochester Massachusetts printed in 1950.

St. Anthony's Couples Club is planning an informative and interesting evening for its members and guests, Saturday, May 16th. A roast turkey supper will begin at 8 in the church basement, and special guest, Miss Dorothy Fox will speak about some little

SELECTMEN VOTE TO HAVE TREE CUT DOWN

Mattapoisett Board of Selectmen have voted to have an elm on Cannon Street removed in answer to a petition by Mr. Robert Purrington. At a hearing held last Tuesday Mr. Purrington asked that the tree be removed because of damage that its roots are causing to the foundation of his home. Mr. John Carlos, whose home is across the street, said that the branches strike his roof. A neighbor and the Conservation Commission opposed because the elm is alive and doesn't have dutch elm disease. Tree Warden, John Denham, said that the elm would have an estimate of 1 1/2 to 2 years more before it would be diseased. The elm will be removed in the latter part of July or the first of August.

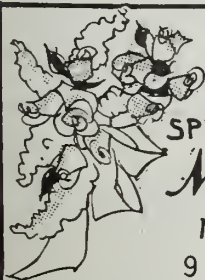

AREA OPEN FOR SHELLFISH TAKING

The Mattapoisett Board of Selectmen will open May 16th the flats and shores of an area from Ryecroft Point, east to Sedge

SPECTACULAR SPRING SOCIAL AT LEGION HALL

Mattapoisett's American Legion Hall on Depot Street is to be the setting this Friday evening, May 15th, for a social assemblage quite unique to this area. Although the Mattapoisett Republican Town Committee is sponsoring this affair, and although many ranking Republicans are expected to attend the event, and although the Republican Town Committees of Marion and Rochester are assisting with the plans,

nevertheless, this basically is not a political get-together. It is intended to be an evening of warm fellowship and good neighborliness. There will be no formal speeches, nor any declaration or proclamations. Those planning the event anticipate a congenial gathering of tri-town residents, including not only Republicans, but Democrats and Independents as well. To promote an atmosphere of informality and harmonious cheer, the Mattapoisett Town Committee is promising "Free Suds to the First One Hundred".

In charge of the event are Mr. and Mrs. Charles B. Dunn, Mr. and Mrs. Robert Humphrey and Mr. Clifford D. Tripp. Mr. Frederick Underhill of Rochester, area State Committeeman, is arranging invitations to special guests. Mrs. Peter Perkins is Official Greeter and Mrs. Kathleen Lynch is in charge of the "Basket of Cheer". Mr. Matthew Simon is directing the disbursement of "The Suds". Mrs. James Gurney of Rochester is assisting with the publicity and Mr. Arthur Milhench of Marion is supporting promotion of the special event in Marion.

BIDS FOR CRUISERS OPENED

Mattapoisett Selectmen opened 2 bids for two police cruisers. The bids were from O'Hara Chevrolet, \$4,951.62 net and from Hiller Company, \$4,185.00 net. The contract was awarded to Hiller Company for a 1971 wagon and a 1971 sedan. One cruiser will be taken in trade.

Very Special Evening

FORAM PLANS "THE POPS"

It's annual Spring Pops Concert time at Old Rochester Regional High School. This Friday evening at 7:30, the delightfully diversified program of instrumental and vocal music will begin in the High School cafeteria. In charge of the concert is Old Rochester Music Director, Mr. Gary Thomas, assisted by Mr. Jarvis Medeiros, Junior Band Director, and Mrs. Thelma Ostenfeld, choral director. In charge of the "Pops" portion is FORAM, Mr. Charles B. Dunn, president.

For those unfamiliar with the O.R.R. Pops Concert format, it is patterned exactly after the traditional Boston Pops Concert in Symphony Hall. The concert audience is seated at small tables around the spacious room, and while listening to the excellent program of music, may partake of various liquid and solid refreshments ordered from and served by an efficient corps of youthful waitresses, under the direction of Mrs. Nancylee Gaucher.

Arranging the special Pops Menu is FORAM, Friends of Old Rochester Arts and Music. Assisting Mr. and Mrs. Dunn with the preparations are Mrs. J. Louis Roberts, Mr.

Basketball Finale

LITTLE LEAGUE BANQUET

The Mattapoisett Little League Basketball season came to an end with the annual banquet held at the Congregational Church parish hall April 27th.

The guest speakers were Father Gillespie of St. Anthony's parish, Mr. Rodger Twitchell from Old Rochester Regional and Mr. Jack Bills, a member of the Precinct Committee of the Congregational Church who made it possible for the boys to use the facilities of the church for many games, thus giving the farm teams the use of the Center School for their programs.

Rev. Donald Finley opened the banquet with a prayer and everybody enjoyed a turkey dinner served by members of the Sports and Athletic Committee who deserve a big round of applause for the manner in which they organized and ran these programs. This is all done voluntarily by businessmen who donate their time and talents so that there are sport programs for youngsters to participate in.

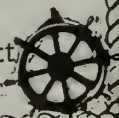

Mr. Twitchell awarded the trophies to the league champions, the Purple Panthers, coached by Craig Delano and assistant coach, Jack Meehan. Players were Peter Nelson, John Meehan, Danny Meehan, John Hutchins, Alan Marcoux, Robert Burbank, Robert Linhares and Michael Kelly.

Coach was Craig Delano and assistant coach, Bronc Caswell. Players were Wayne Caswell, Andy Davidson, John Meehan, Peter Nelson, Barry Andrews, John Hutchins, Chuck Lawrence, Jamie Parry, Jay Briggs, Billy O'Leary, Mike Cooper, Jim Hoff, Alan Marcoux and John Hinman.

Cheerleaders were an added attraction this year for the All-Star team and this might have been one of the reasons the boys did so well, being cheered on by such cute young ladies as Donna Reilly, Debbie Caswell, Chris Cooper, Andrea Nelson and Carolyn Silveira. The girls were awarded trophies for their enthusiastic efforts.

Thanks also should be given to Ricky Nelson, Gayle Silveira and Bambi Mello for coaching the girls with their cheers.

READ CAREFULLY BEFORE SIGNING

Two teenage girls have been reported as calling door-to-door in Mattapoisett with a petition for residents to sign. If anyone is inclined to sign they would do well to read the petition thoroughly. In condemning President Nixon the statement reportedly contains misstatements of United States purpose in Viet Nam.

No permission has been given by the Board of Selectmen to circulate such a petition as is required by the Selectmen and Police Department.
